A COMMUNITY TEAM NOT FOR PROFIT

Youthful Team of "Our"
Boys Secure Support
of Business Men

The Arlington Heights merchants are sponsoring a local baseball team known as the Arlington Merchants. They have displayed a remarkable enthusiastic spirit in lending their financial support to equip the team with new uniforms and other essential paraphernalia. The merchants believe that Arlington Heights should have a local baseball team for the amusement of the citizens, and are willing to do everything possible to accomplish this purpose.

The team is composed of local talent between the ages of 16 and 21 years, a team of youth, pep and fight. Mr. M. H. Browne is acting as adviser in giving the team a good start. As their manager, they have Mr. E. Cherwin of Skarsdale. Mr. Cherwin has been affiliated with the Logan Squares and Duffy Florals for the past years. He is a man of keen baseball ability, and believes that the local boys will make good.

The opening game is to be played on May 21 against Rogers Park, a semi-pro team of Chicago. This game will usher in a new era of baseball in Arlington Heights.

The admission fee is optional. We realize there are many people who cannot afford to pay, but would like to see the games. To them we say, "Come out and forget your troubles." This team is not being run for profit, but for your amusement. A free-will collection will be taken to pay the necessary expenses of balls, bats, etc.

It is the team's hope to rehabilitate baseball in Arlington Heights to the standard of bygone years when Arlington Heights recognized such stars as Eddie Mors, Ed. Foley, Geo. Schneberger, and others.

On Sunday, May 14, the Arlington Heights Merchants will meet Des Plaines at the East Side Ball grounds.

LEGION STAGE SHOW THIS FRIDAY NIGHT

Marks End of Blanket
Campaign; Magician
Star Attraction

In appreciation of the generous support the community has given to the American Legion blanket campaign, the committee has made special effort to present an unusually interesting program at the high school Friday night. Tickets are being distributed by all members of the Legion without charge to participants in the blanket campaign.

Appearance of Gene Bernstein who is recognized to be one of the premier magicians and a master of hypnotism, should pack the house. Mr. Bernstein demonstrated his unusual powers last winter at the Legion home before a group of fifty Legion men, who were that he was the finest they had ever seen anywhere. Zech and Randolph, who have appeared on the R. K. O. circuit for many seasons, will present a musical and comedy act, which is recognized in high class vaudeville circles as sure fire.

The Drum and Bugle Corps of Merle Guild post, sponsored the blanket campaign and to show their appreciation to the community they will appear on the stage to start the stage show off with three stirring numbers. Don't fail to be in the audience as mentioned previously. The tickets are being distributed without charge.

Personal Property Tax Schedules Coming

Personal property tax schedules for 1932 are to be delivered around next week by Gustav Heidorn, township assessor.

Mother's Day Next Sunday; Many Needy

Mother's Day is next Sunday, May 14. According to President Roosevelt's proclamation of May 3, the United States flag will be displayed on all government buildings, homes and other suitable places. While the usual tokens and messages of affection should be given to mothers the President urged that all be done possible through churches, fraternal and welfare agencies for the relief and welfare of mothers and children who may be in need of necessities of life. He quoted a Senate resolution of May 1, citing that "there are throughout our land today an unprecedented large number of mothers and dependent children who, because of unemployment or loss of their bread earners, are lacking many of the necessities of life."

UNEMPLOYED TO WORK IN FOREST PRES.

Announce Emergency Relief Work for a Number of Men in N.W. Towns

George Olese, Dist. Supt. of the Forest Preserves, announced that the relief station of Wheeling township located at Arlington Heights, will employ about 60 men from families who are budgeted \$30.00 per month or over.

The local Bureau of Public Welfare selected these men from the relief rolls and they are assigned to the forest preserve to carry on general construction work and the reforestation program.

Fifteen or twenty will be assigned each week and the rest rotated until each person has had the opportunity to earn his quota of \$30.00 per month.

Mr. Olese states that he is happy to receive the men from Wheeling township as he knows they will be sincere workers and are very deserving.

There will also be employed in this work, men from Palatine and Mt. Prospect.

These men welcome the opportunity to secure this work with a cooperative spirit on their part, the plan will be a success.

The suggestion has been made that local villages could well adopt some similar plan in their cleanup work.

The Bureau of Public Welfare, under the supervision of Mrs. Beulah Robinson, should be congratulated upon their efficient and splendid work.

Twelve Hiking Trails Mapped in Booklet

A 20 page pamphlet containing maps of 12 hiking trails throughout the 33,000 acres of Forest Preserves has been prepared by the Board of Forest Preserve Commissioners for free distribution.

The purpose of the maps is to aid trail hikers, to encourage walking through the preserves as a mode of economical recreation and to acquaint citizens with their preserves.

The trails were designed and laid out under the supervision of Charles G. Sauer, general superintendent of the Forest Preserve District. The pamphlets may be had by addressing a card to Mr. Sauer, Forest Preserve headquarters, River Forest, Ill.

The pamphlets contain information concerning the trails, their starting point and terminus and indicate the mode of transportation for reaching them. A brief sketch of the history of the Forest Preserve District is told, and interesting data concerning Trailside Museum, one of the latest educational features of the Forest Preserve District, revealed.

The maps show the Wheeling hike, Harmswood hike, Billy Caldwell hike, Glencoe-Northbrook hike, Palos Trail system, Salt Creek trail, North Creek hike, Thorn Creek-Sauk Trail hike, Thatcher Woods hike, Indian Boundary hike, Algonquin hike and Indian Portage hike.

STATE STARTS DRIVE ON BEER DISPENSERS

Must Pay Up \$50 for
License Fee or Face
"Fine, Sentence"

LOCAL LICENSE IS ADDITIONAL

With the cooperation of city, village and county officials, including the law-enforcing officers of these political subdivisions, the State Department of Finance has begun an investigation to determine the identity of retailers of legalized malt and vinous beverages who are operating without a state license. Investigators started out Tuesday morning from the Chicago office. Liquor dispensers are being given notice to get a state license within 48 hours or be subject to fine and imprisonment. Two days later, they are coming back to check up. Then if a license, costing \$50, has not been obtained, a warrant is to be sworn out in a police court and the offending dealer arrested.

Director Joseph J. Rice of the Department of Finance reports that he is obtaining from municipal and county authorities the names of all individuals who have not taken out state licenses. Lists of locally licensed retailers already have been received from Chicago and Springfield. "The investigation will be state-wide in scope," Director Rice said. "It is the intention of the Department to enforce every provision of the new regulatory law. The Department feels that retailers have had ample time to acquaint themselves with the terms of the law, and to comply with them."

The law was signed by Gov. Horner April 26, and went into effect at once, as an "emergency" measure.

When Local License Is Lacking

"In the case of retailers located in cities, towns, villages, or counties which have not enacted regulatory measures, as yet, the Department will issue so qualified retailers a receipt for the state license fee of \$50. The receipt will be accepted by the Department as a bona fide attempt to comply with the provisions of the law. When the local government has taken action and granted a license to the retailer, the state receipt may be exchanged for a state license to be issued by the Department."

"As a warning to violators of the law, I call attention to the fact that upon conviction they may be fined from \$25 to \$500, or sentenced to jail from 30 days to 6 months or both," Mr. Rice writes.

As the beer business is not proving so generally profitable as anticipated, it is expected that some dealers will drop the sale of such beverages as licenses are required of them.

To Challenge New Law To Collect Taxes by Force

Real estate organizations will test the new law drawn by Atty. Gen. Kerner giving county collectors the right to have themselves made receivers for all real estate taxes for delinquent six months. The law is called by opponents the most vicious ever passed in Illinois.

Advertising Signs On State Roads Must Come Down, Ordered

Conforming with the long established policy of keeping the state highway rights-of-way free from advertising signs, the new state administration has mapped out a program to extend this safety measure to village, town and city streets now incorporated in the States' highway system. The program is being directed by the Department of Public Works and Buildings to enhance the safety, comfort and beauty of the state's highway system and ties up with the state's plan to plant trees along many sections of the 13,000 miles of paved state and county roads. The following reasons justify the removal of any existing advertising signs, and the prevention of the erection of any additional signs:

1.—They are hazardous; 2.—they distract the attention of the driver from standard guide and warning signs; 3.—they interfere with the proper display of legal guide, warning, distance signs and route markers; 4.—They are objectionable to residents of the vicinity; 5.—they utilize public property for personal gain; and 6.—they are unsightly.

FINANCIAL REPORTS

The credit goes to the village of Wheeling this year for being the first village to publish its annual financial report. J. A. Schminke is the treasurer of that village and not alone gives an accurate accounting of the public funds in his charge, but he also forwards a copy for publication, as is by law required.

Some villages in the territory served by this paper are negligent in this regard, but during the recent municipal campaigns, free publicity of the affairs of the village, were parts of the campaign pledges and it is reasonable to expect that practically all of the villages will publish such a report, thereby obeying the law and likewise keeping campaign pledges.

All of the township supervisors eight in number, published their reports last month.

GIRLS ESCAPE DROWNING IN CAR ACCIDENT

Car Submerged in Water;
Des Plaines Girls Have
Minor Injuries

In an accident between Palatine and Arlington Heights about three o'clock Sunday morning, Mrs. Watson and Miss Margaret Madsen, both of Des Plaines, had a narrow escape from drowning when their car was overturned in 4½ feet of water. A car driven by Herman Schmuckel of North Evergreen avenue, Arlington Heights, hit the Watson car throwing it off the road into the water. The only thing in sight was the wheels and the two occupants crawled thru the floor boards of the car.

Schmuckel rendered first aid in getting the occupants out of the water. The two girls were taken to the Des Plaines Emergency hospital by Elmhurst autoists.

Injuries to Miss Madsen were slight, while Mrs. Watson received many cuts and bruises about a limb, shoulder and face.

Farmers Procure Rise In Price for Milk; 2-3 Cent a Quart

"Base" milk will bring to producers \$1.75 a 100 pounds instead of \$1.45, beginning next Monday, May 15; as a result of an 18-hour conference Wednesday between the Pure Milk Association (producers) and distributors in the Chicago area. This means that the farmers will get about 2 1/2 cents a quart more, which may mean a rise of one cent a quart retail.

A delegation of ten milk producers left yesterday for Washington to confer with the new federal food administration in regard to maintaining a reasonable return to farmers in the Chicago milk shed for the costs of production.

The 30 cent increase applies, however, to only 90 per cent of each farmer's basic quantity. The other 30 per cent will be 20 per cent, or 22 cents butter fat plus 20 per cent. For surplus, or excess milk produced, butter fat prices will apply.

State School Superintendent Advises on High School Election

The Herald is in receipt of the following letter received by Albert C. Haake, secretary of the Arlington Heights High School from O. F. Aiken, county superintendent of schools to which it was addressed.

April 27th, 1933.
Co. Supt. Otto F. Aiken,
1122 Court House, Chicago.
Dear Supt. Aiken:

I have received your letter of April 26th. I will take it for granted the returns of the election at Arlington Heights have been sealed and filed with the township treasurer; if this is the case, then it is a question for a court.

The general rule is that, an irregularity that does not deprive an elector of his vote nor change the result will not vitiate the election. If the polls were opened at 4:00 o'clock and remained open until 8:00 o'clock p. m. of the same day, and that is the time that has been usually advertised for holding the election, it may be no one was deprived of a vote nor the result changed; at any rate we cannot interfere with the result.

But, if the matter can be settled amicably by holding another election, you can advise the board of education to take this step but there is no other way in which you can interfere in the matter, as I understand it. It is a question for a court.

Sincerely,
(Signed) F. G. BLAIR,
Superintendent.

Brides Dazzle Packed House; Repeat Tonight

Crowded on a wet night, so that many were turned away, "The Pageant of Brides" entertainment given last Friday at the Methodist church in Arlington Heights will be repeated tonight (Friday). The same people modeling over 70 gowns, will appear in the same setting.

The church auditorium was used, ornamented beautifully with flowers and ferns and with the main aisle specially carpeted and bordered by huge candles. With organ music played by Mr. Theodore Miltzer, flower girls accompanying the brides, ushers in semiformal clothing, and the brides slowly marching in wedding step in varying and authentic costumes from the present, back to 1833, the pageant was greatly interesting. Mr. W. L. Whipple announced each bride, as she stepped to the front, both as to the person modeling the gown, and to the history of the gown in the festivities at which it was used. Some of these older gowns were especially interesting and of historic value.

Following is a list of gowns and models as they will appear this evening.

(The name of the model in each case follows the name of the lady whose wedding gown was shown).

Wedding Gowns of 1932—Mrs. Don Costain, self; Mrs. Spikings, Mrs. Haugen; Mrs. Ethel Forke, Mrs. J. Bown; Mrs. Arthur Bray, self (bridesmaid, Miss Elizabeth Bray).

SALES TAX -DEAD, STOP COLLECTION

Supreme Court Finds Law
Unconstitutional; No
Rehearing

The State Administration's Sales Tax law was knocked out Wednesday by the State Supreme court, the decision being unanimous. All seven members of the court concurred in the opinion that the law was unconstitutional, hence void. In brief, the exemption of farm products and of gasoline from the provisions of the bill, were found in conflict with the constitutional provision that taxation must be uniform on property within the state; also the dual disposition of the tax money, mainly relief in Cook county and schools downstate, was another defect in conflict with the Constitution.

Merchants, therefore, have ceased to collect the 3 per cent tax. As Attorney General Kerner has announced that he will not seek a rehearing of the case, some stores are going ahead with refunds, although a general statement as to this, is not possible as this paper goes to press.

Commencement Date June 2 at Arlington Heights High School

Commencement exercises at Arlington Heights high school are to be held on Friday evening, June 2. The speaker is to be Mr. Paul Sheldon Johnson of La Grange. Mr. Johnson has delivered commencement addresses at Bensenville, Leyden and Libertyville high schools during the past two years, and is well recommended. His subject will be announced later.

The baccalaureate sermon will be delivered at the high school Sunday evening, May 28, at 8:15 o'clock; Rev. W. H. Whipple of the Methodist Episcopal church to speak. Rev. J. H. Ellerbrake was to have delivered the sermon, but declined in view of other duties.

Following is a list of those who may graduate:

The Science club, the same evening, made a tour through the Chicago Tribune's printing plant.

Wheeling & Mt. Prospect Share Honors in Big School Health Contest

The honor of possessing the healthiest boy in Division One of the Cook County Schools goes to the Wheeling Public school, due to Albert Likens, age 13, who triumphed over all the other boy contestants. Doctor Dougherty of the Chicago Board of Health found the contest a close one between Arthur Flesch of Dist. 57 and Albert, but the latter finally won.

To Joyce Wallentin of the Mt. Prospect Public School goes the honor of representing the girls of Division 1. She is 12 years of age and is a brunette. Hilda Collini of Dist. 17 was second.

With two such fine contestants for the finals on Saturday, May 18th, Division One is well represented and should have one or more of the winners.

Nursing Class Demonstration at P. T. A. May 16

The Arlington Heights Parent-Teacher association will meet next Tuesday evening, May 16, at the South Side school assembly hall. Installation of officers and annual reports will be the main items of business. Officers to be installed are Mrs. Raymond Atkinson, president; George Davidson, vice president; Mrs. Archie Fessler, secretary; C. I. Davis, treasurer; Mrs. Milton Daniels, historian. Retiring officers are Mrs. O. G. Barrett, president; Humphrey Ashton, vice president; Miss Margaret Oberreuter, secretary; Cecil McWharter, treasurer; Mrs. Fessler, historian.

Miss Martina Jackson's Home Nursing class will give a demonstration. Singing will be by Homer Evans, baritone, Mrs. Leslie Moodie accompanist. A social time, with refreshments, will follow the meeting. This will be the last meeting of the current school year.

Child Study Class

The Child Study class will meet next Monday afternoon at 2 o'clock, with Mrs. B. H. Jarvis at their home in the pines on Hawthorne street. The subject for discussion will be "Summer Activities for the Children," with reference to ages of the kindergarten and first grade. Mothers are invited to bring their children with them.

BIG MUSIC FESTIVAL AT BENSENVILLE

Next Monday Night; 600
Musicians on Huge
Stage

The Fifth Annual Music Festival of the Northwest High School Conference will be at 8:15 D. S. T., next Monday night, May 15, at Bensenville High School on Elmhurst road.

Six hundred students are entered in the various musical numbers, which are by a combined band, orchestra, girls', boys' and mixed choruses. Ray Dvorak of the University of Illinois music department is guest conductor, as in former years. Some of the numbers used are selected from those of "All State" chorus and orchestra of this year. All indications are for a much better festival, in all departments, over former combined festivals, which were remarkable for their excellence.

Admission at the door is 35 cents; teachers and students 25 cents.

Eight of the ten schools of the conference are taking part. Palatine being one of the two that dropped out.

From Arlington Heights high school, Arlington Heights and Mt. Prospect the following are scheduled to go:

Girls' Glee club — Elinor Smith, Eleanor Wolf, Marthalee Lohre, Verna E. Heap, Virginia Lois Hausman, Bernice Meier, Mary Tagge, Erna Reese, Clara Koenig, Jane Mussel, Cecil Hauptli, Dorothy Jasper, Lois Baskin, Marie Scolaro, Dora Scolaro, Marie Scolaro, Louise Roth, Ruth Wenzel, Florine Henry, Lois Manz, Norma Meyer, Grace Barrett, Doris Crofoot, Virginia Weber, Esther Kehe, Marcia Ruth Martens, Elvera Landmeier, Mary Grismer, Mae Cordes, Helen Scheirich, Florence Brehm, Florence McElhose, Dorothy Kaepff, Irene Landmeier, Irma Windheim, Florence Patrick, Grace Erickson, Neva Grooms, Edith Erickson, Dorothy Landeck, Barbara Dresser, Esther Alten, Gladys Wilton.

Band members—Donald Meyer, Elvera Landmeier, Marvin Pingel, James Manz, Harold Koelling, Donald Goelke, Ralph Briggs, Lee Helwig, William Busse.

Dr. Donald Costain is instructor in music at Arlington.

Anti-Theft Automobile Bill Becomes Law; Title Certificates Required

Mr. Joseph J. Loesch and Colonel Henry Barrett Chamberlin of the Chicago Crime Commission and Mr. Joseph H. Braun of the Chicago Motor Club, and their associates in those organizations, are receiving congratulations upon the enactment of their bill that requires a certificate of title for automobiles in Illinois.

This new law, which also requires the licensing of all dealers in used automobiles and parts and places such dealers under careful state supervision, is expected to put a crimp in the wholesale theft of automobiles in Illinois.

Celebrate Farm Bill Tomorrow

Invite Public To Make
Merry Saturday Evening at Shayne's

Back in 1918 we all celebrated the signing of the Armistice. It was an important point in the history of the world.

Tomorrow (Saturday) night, May 13, the Cook County Farm Bureau is staging a big "Hoopala," to celebrate passage and expected signing of the Farmers' Farm Bill; the gay celebration to be at Shayne's ballroom and grove, four miles south of Arlington Heights on Higgins road, west of Arlington Heights road.

With ever increasing strength over the last twelve years, the Farm Bureaus have been working toward a farm relief measure. Four years ago their strength was evident to such a degree that the administration felt it politically expedient for them to do something for agriculture. An administration bill rather than a farmers' bill was passed, which bill failed to accomplish the good that the administration said it would accomplish, and which the farmers themselves hoped it would accomplish.

The present administration has shown its friendliness towards an agricultural relief measure which everybody hopes will prove beneficial not only to agriculture but to the nation as a whole, which will be the case if it proves helpful to agriculture.

It is only fitting, therefore, that the Cook County Farm Bureau should stage a celebration; for it is thru the efforts of the Farm Bureaus that the measure has found its way step by step up to passage. The bill is much more comprehensive than would have been conceived of even a few years ago; but the conditions are much more crucial, and the bill, as it is now passed, is made to fit the conditions of the times to the best of the ability of our best agricultural minds.

Not only the Farm Bureau members but it is expected people in all walks will join with the Farm Bureau in celebrating the activities of the President and his assistants, more particularly Secretary of Agriculture Henry A. Wallace, and the passage of this act.

In speaking of the celebration the Farm Bureau's hired man, Mr. O. G. Barrett, Farm Adviser, says the Farm Bureau invites not only all its members but all its friends to come and make "Hoopala."

DESPLAINES RIVER ON A RAMPAGE

Has Overflooded Banks;
Taking Out Roads and
Bridges

The Des Plaines River is on a rampage. Dist. Supt. Geo. Olese looks for the flood to exceed the high water mark of 1925. While the damage to the adjacent territory in the northern part of Cook county is confined to roads and bridges and a few buildings, farther south, whole sections of towns are under water with thousands of dollars in damages.

All the roads thru the preserves around Dams 1 and 2 are under water with two bridges washed out. Northwestern Park at Des Plaines is all under water. A representative from the government has inspected the river and made records of the high water mark. Unless the rain ceases, there is no telling how serious the condition may become. Many truck gardeners have lost their gardens, especially on Foundry and River roads.

Memorial Day Plans Started by Legion

Plans for Memorial Day in Arlington Heights got under way on Tuesday evening at the meeting of Merle Guild post of the American Legion. Organizations to march will be substantially as in former years, the two veterans' organizations and their auxiliaries, Lions Club, Boy and Girl Scouts, etc.

RED WINGS OPEN SEASON; EASY WIN

Meyer and Schaefer Pitch A Scoreless Game

The Arlington Heights Red Wings got off on their 1933 season with a roaring start Sunday afternoon, trimming the Glen Ellyn Bears 23 to 0.

Although the score indicates a one-sided affair, the fans stuck to the finish, seemingly glued to their seats by the midseason form of pitching by "W. Meyer" who had nine strike outs and allowed only five scattered hits in seven innings. The Red Wings being way out in front at this time he was given a well earned rest, and Geo. Schaefer, Jr., finished the next two innings in the same manner by allowing the Bears only one walk, no hits and striking out four men.

The Bears were powerless against the Red Wing pitchers, while the Red Wings laid down a barrage that lasted from the start of the game to the finish, knocking five pitchers off the mound.

Ray Willert's batting cleanup took the heart out of the Bears in the first inning when with the bases loaded Dobbins on a walk, Schultenbury laying down a bunt and safe on an error, Schaefer on by a walk, he cleaned the bags by a triple out in left field. From then on there was no stopping the Red Wings, every man getting his share of hits.

Although the weather was cool and threatening a large crowd was out to help the boys along, and they all wish to thank you fans for being with them as you have and hope you will be with them throughout the season as they will be playing most of their games at home. So stick with them; they are all home boys, receiving no backing except by themselves and the fans. They are your ball club.

Geo. Glow, after a successful season as manager last year, being pressed for time, has retired, and his place will be taken this season by Chas. Page, well known in Arlington Heights. The boys all feel fortunate in having Mr. Page with them and feel that they will have a successful season with him at the helm.

Next Sunday the Red Wings are promised some tough competition when Edison Park will be out here to try and take them down the line. So be out again Sunday, all you fans, and help keep your team on the winning side, the Red Wing Ball Park, 500 S. Highland avenue, 3:00 o'clock sharp. "The place to forget your troubles."

Prairie Farmers, Orchard Place, Open Season with Victory

The Prairie Farmers of Orchard Place played their first game of the season Sunday, May 7. They defeated the Lincoln A. C., 5-0. The Prairie Farmers' pitcher gave the Lincoln A. C. only one hit, while Lincoln A. C. pitcher gave six hits.

Next Sunday the Prairie Farmers play the Red Robins on the home diamond on Higgins road.

No Land Grab for Britain

Minstrel Show Makes Crowd Happy

A genuinely funny minstrel show was given by Masons of Arlington Heights last Thursday evening for the benefit of their families and friends. The Presbyterian parish hall was well filled, and many good laughs were general.

End men were: Lyman Lloyd, Sambo, Marvin; Prellberg, Mose; Jim Williams, Ducky; E. A. Lange, Hambone; William Luehring, Sunbeam; William Milligan, Rastus; George Nickel, Bones; Max Watson, Cloudy. James Milligan was interloper, Lyman Lloyd banjoist, Floyd Dobbins specialty number on the "hootinanny." C. Lester Griffith, pianist. Members of the chorus were: H. A. Hastings, Geo. Pfingsten, Charles Peters, James McElhose, Charles McElhose, Paul Hoffman, Martin Fehlman, Harold Peter, Orville Kurtz, Charles Peterson, Paul Incapree, George Davidson, George Palmer and Arthur Frankie.

The second part of the program was a farcial sketch, "The Royal Order of Ham and Eggs," in which George Davidson acted as master of a colored lodge, James McElhose drill sergeant, Mr. Pfingsten as Lieut. Sizzle, and the following as privates: Messrs. Hastings, Peters, Charles McElhose, Kurtz, Peterson, Hoffman, and Fehlman.

Directors of this very entertaining event which took the house by storm were Judge William E. Kopplin, assisted by Miss Fern Lorenzen. Mr. Lloyd for the cast made a presentation of a box of candy to Miss Lorenzen, and Mr. Milligan of a token of appreciation to Judge Kopplin.

Our Ladies' Aid is preparing a supper and bunco party to be given Saturday evening, May 13. Supper will be served between 6:30 and 7:30. The price is 40c, children, 20c. The time after supper will be spent playing bunco. A similar amusement will be provided for the children in one of the class rooms. Come, and bring your friends!

The Walthe League meetings of both the Seniors and Juniors will in the future be held Friday evening.

Our annual church picnic will be held Sunday, June 11. It will be an all day affair. It will be held in the grove on Cumberland avenue between Irving Park boulevard and Lawrence avenue. Church services will be held in the grove in the morning to which all members and friends are invited. The afternoon will be spent with the amusement generally indulged in on such occasions. The pupils of the school are working on a Maypole Drill which ought to prove entertaining to the audience.

The regular entertainment of the school will be given Saturday evening, May 27, in the school auditorium. You should not miss this

WHEELING

The first annual dinner dance for members of Childerley Community Center was held last Saturday evening. This was also the close of the Saturday evening Open House activities. About 115 members took advantage of the festive occasion. The tables were made gay with spring flower decorations. The menu consisted of baked ham, scalloped potatoes, green beans, salad, porker house rolls, ice cream, cake and salted nuts. Speakers for the evening were Mrs. F. R. Lillie, Mrs. A. Larkin, Mrs. W. Wiles, Miss B. Kiech with Rev. Shaw as the announcer. Several musical selections were rendered by the Misses L. Emerick and L. Weidner. The entire group also were invited to join in the cheer songs. Following the program, the tables and floor were cleared for dancing the remainder of the evening. Music was furnished by a Deerfield Shields high school orchestra, one of the local boys, Robert Kruse, being a member of that orchestra. The evening proved a delightful climax to the first season of Childerley Community center and it is hoped that the same opportunities for fellowship to people of the community will be available next season.

About 125 young people representing six Presbyterian churches of the north division of Chicago Presbytery gathered at the Libertyville Presbyterian church on Sunday afternoon. Wheeling church was represented by six members of their group. The program opened at 3:45 with a devotional period led by the Deerfield delegation. This was followed by a discussion period. A social period of three-quarters of an hour preceded the lunch and business hour. A dramatic worship service led by Northbrook Young People closed the program of the day, which proved in every way a happy and inspirational meeting.

The Christ Paulsen family are moving to Aurora.

The annual meeting of the Wheeling Cemetery association was held last Wednesday evening. Among the items of business, they decided it would be necessary this season to leave the grass not cut, on those lots on which the perpetual care, or interest on same, has not been paid. It is with regret that this action was taken. Notices are being sent to all such lot holders and it is hoped that at least the interest due, might be paid which would provide for the cutting of grass on their lot.

Master Earl Dueball celebrated his fifth birthday with a group of young friends and relatives last Thursday afternoon. The party began at 3:30 to accommodate those who already attend school. The little guests were invited to stay for supper and they had such a happy time after supper too, that bed time came and forced the party to adjourn. We're sure they all wished Earl many happy returns of the day.

Presbyterian Church

Morning worship, 10:55 o'clock. Being Mothers' Day the theme of the service will center about this thought. Mothers are especially invited.

Sunday church school, 9:30. Sunday, May 14, has also been selected as the opening day for the every member canvass. Recognizing that economic conditions make financial pledges difficult to make, yet all can express their readiness to maintain the church in the community perhaps in some other way than financial.

Costliest Mausoleum

The Taj Mahal is a mausoleum of Agra, India, erected in the middle of the Seventeenth century by Shah Jehan in memory of his wife, Mumtaz. It is built of marble, enameled with jasper, agate, carnelian and other precious stones. It took 20,000 men 22 years to build it, at a cost equal to \$15,000,000.

Ev. Immanuel Church In Churchville Has New Pastor Installed

The Evangelical Immanuel church in Churchville was the center of changes Sunday, May 7.

Since 1931 the church has been seeking a capable man to take the place until then held by Rev. F. O. Claussen. During this interval the Rev. Prof. Hansen of Elmhurst and the Rev. Pinkert of Wheaton, have taken the place at the pulpit.

Finally, about a year ago the Council heard of Rev. Linper of Louisville, Ky. After a long correspondence he visited the church and spoke briefly at a concert given by the Churchville Glee club. The council, as well as the congregation, were well pleased.

It was another year, however, before Rev. Linper severed connections at Louisville and moved his family to Churchville.

Last Sunday Rev. Linper was duly installed into the ministry of this church, by Rev. Pinkert before a large congregation.

After the ceremony the folks enjoyed a hearty dinner prepared by the Ladies' Aid and given in the church basement. After the repast a social hour or two were passed, the older folks acquainting themselves with the new church head, while the young folks played baseball. Everyone seemed to be in high spirits in tune with the fine spring weather of the afternoon.

CHURCHVILLE

Mr. and Mrs. Harris and son of Forest Park were guests at Henry Fischer's Sunday afternoon, May 7.

Several friends of Mrs. R. Liedtke helped her celebrate her birthday, Wednesday afternoon.

A fair crowd attended the "500" and bunco party, given at the Churchville school, Friday, May 5, despite inclement weather.

Three Homes Quarantined with Scarlet Fever; School is Fumigated

The threat of a scarlet fever epidemic in the Village of Mt. Prospect, in the form of three cases of this disease was met by the Board of Health by fumigating the public school last Saturday. Since there are but three cases now within the village, the condition is by no means alarming, according to the president of the Board of Health, R. E. Quinn. The three cases are widely separated as to contact, so that there seems to be no common source. One case, a child in the Sporleder family, is

under school age. The other two cases are children in the public school, but from different grades. Philip Baldwin, in the sixth grade was quarantined May 3, and Helen Edwards, in the first grade, was quarantined May 5. The school and health authorities consider that there is no cause for alarm especially since all children in the school are being watched carefully for signs. All cases are said to be a very mild form.

ARLINGTON HEIGHTS

What's the news? Ken Robinson, Can't tell more news than Arlington.

We shun the conferences and kings And yet we hear a lot of things; Here's our budget, you may choose What you consider real news.

Sunday, May 14th, is called Mother's Day—don't forget and remember father too.

"George in a Jam." Yes he gets it again at St. James hall, May 25 and 26.

Mrs. Otto E. Schwartz, and her new baby son are at their home on South Belmont avenue, coming from the hospital last week.

Mrs. Wm. Lauterburg entertained the Pinocchio club in her home on South State Road last week Wednesday.

Rev. H. A. Kossack christened Bettie Beatrice, little daughter of Mr. and Mrs. Hirschburg in their home Thursday last week. This was the 500th child he has baptized in his ministry.

The farmers in this vicinity have done some planting, but fear now there will be no "surplus products" if the wet continues.

Mr. and Mrs. August Toussaint are moving from South Pine into the B. U. Hills house on North Pine avenue.

Mr. and Mrs. George Peterson Jr., are enjoying a business trip in Milwaukee and towns in that vicinity.

Mrs. Fred Kastning on West Campbell street suffered a severe injury, being struck in her side by a stick of wood when she was preparing fuel for kindling.

Frank Dobbins returned to the Heights from his new home at Noble, near Olney, to take up his work here with the Landscape company. His family are happily settled in their new home where they have two Jersey cows, and a fine lot of chickens—with plenty of ground to cultivate. What more can they want?

Mrs. J. P. Uselding, had a happy cheerio Sunday when her nieces and nephews from Aurora and Libertyville came to visit her in her home on South Dunton avenue.

Dr. and Mrs. Dunn and Mr. and Mrs. H. M. Blume went to call on H. S. Garland family at Wauconda Saturday evening.

Donald Peeters, youngest son of Mr. and Mrs. Raoul Peeters, was one of the class of sixteen, eleven boys and five girls, who received their first communion in the 7:30 service at St. James church Sunday morning.

The friends of Mrs. D. G. Boaty are glad to hear that she is happily recovering from her severe injuries received from a fall some time ago. Her arm has been released from its binding and she is now able to carry it in a sling.

Harold Oefelein of the First National Bank of Los Angeles, sends word to his parents that he is convalescing from a recent hospital experience which he had to undergo and will soon be well. Mr. and Mrs. M. Oefelein are relieved from much anxiety on receiving this hopeful message from Harold.

A dance is to be given May 27 for the benefit of the local infant welfare work—in the Arlington ball room, on Higgins road. Tickets 25c.

Come to the Jitney supper at the Methodist church, Thursday, May 18, at 6 o'clock. Attractive menu. Cafeteria style.

Miss Lois Clark, daughter of Mr. and Mrs. Louis Clark went to Park Ridge last week to a position she has been appointed to fill.

The Parents Auxiliary of Boy Scouts will meet with Mrs. W. E. Kopplin at her home on South State road Wednesday, May 17, to plan for their May party.

Last Sunday Mr. John Froehlich, his daughter, Mrs. Boehm, and her daughter, Miss Clara Boehm and friend, Mr. Chris. Von Serlinski came from Chicago and Mr. and Mrs. Roy Altman of Highland Park were guests of Mr. and Mrs. Raoul Peeters, attending the early morning service to witness the celebration of Donald Peeter's first communion in St. James church.

Mrs. C. H. Michael of Drury Lane is now convalescing in her home after some time spent in a hospital.

Miss Elizabeth Garland has been staying with her aunt, Mrs. Sophia Blume while finishing her school year.

The local garden club committee held a special meeting last week with Mrs. Charles FitzPatrick. The object of the meeting was to arrange for a spring garden show. Of course if present weather conditions continue, our spring flowers will be late in appearing and no date can at present be decided on.

"The Old Time" Mothers club met in the pleasant home of Mrs. Elmer Crane Thursday this week. The usual genial happy afternoon was spent with the hospitable hostess.

The Friendly class met in regular session Tuesday. The special feature of the afternoon was a book review given by Mrs. Richard Bray. The book treated was "Bright Land" by one of our modern fiction writers. Reviewed in Mrs. Bray's clear sighted, analytical style. Enjoyed by her appreciative audience.

The Dorcas Aid of St. Peter's church held their regular business session Tuesday evening this week. Reports and general business was the order of the meeting.

Mr. and Mrs. Allen V. Crisler and daughters came from Glen Ellyn Sunday to call on his sisters here. They report a most severe storm in their region. In Glen Ellyn water flooded the streets coming up to the running boards of cars and into stores and buildings. A foot deep in the Woolworth store. A tremendous hailstorm, hail stones big as goose eggs. All the way over evidence of flood of fields and pastures were to be seen. No over production in sight.

Friday this week the Missionary Society of the Presbyterian church will meet in their usual room in the church. Mrs. S. Fehlman will have charge of the devotional exercises and Mrs. B. A. Noyes has charge of the lesson or study, on Spanish America. There will be special singing.

Mrs. Paul Hoffman entertained the Sunshine club in her home on North Vail avenue Thursday of this week.

Dr. E. W. Bauman attended the Illinois State Dental Convention at Peoria, Wednesday, May 10.

The Rev. H. A. Kossack left Tuesday night for Lakota, Iowa, to attend the funeral of a former parishioner there, where he was pastor from 1912 to 1917. He is to return today or tomorrow.

Mrs. Paul Arneman, S. State road, received word Tuesday morning that her mother, Mrs. S. G. Vance of St. Paul, Minn., had just passed away. Mrs. Arneman left the same evening for St. Paul, after having only recently made a trip to the bedside of her mother, who has been ill several months.

Five members of the Woman's Club chorus attended the May song festival at Irving Park last week Friday night. The thirty five clubs of the 7th district were represented by singers from each. Those who went from here were Mrs. Mitzlaff, Mrs. Ashton, Mrs. Roth, Mrs. Mayer and Mrs. Kaeppl. These club chorus members expect to join the grand chorus of singers at the state federation May 16. The federation will be in convention the 16th, 17th and 18th of May in the Sherman hotel at Chicago.

Mrs. Caroline Fiene is patiently trying to endure her slow return to her ability to be at work. Through her shut in days she looks longingly from her window on three broods of downy baby Plymouth Rock chicks—being noisily led about by their feather mothers. Cheer up friend, warmer days and sunshine will bring you healing balm.

Mrs. F. A. Whiting is expected home this week-end from Iowa, where she has been some time with her sister, who was ill, and is now on the way to recovery.

Mr. Jasper is back in the employ of the E. W. A. Rowles Company. This week he with Mr. Kurt Stoelkel are having a grand clean up in order to be ready to take care of a rush of orders that may come in with the Century of Progress.

The Hofstetter have just received a dispatch over the wire from their son, Charles Ferdinand, who as a messenger for The Century of Progress, has got through the desert and is now on the coast in California. After sickness, broken bones, and long delays, he has carried his message from Chicago to the coast, the final goal of his dreams. His faithful horse, Flash, and his inseparable guardian, his dog, Ranger, have kept with him and seen him through.

Mr. and Mrs. R. Reimer and Mr. and Mrs. Roedecker, Chicago, were Sunday guests of the Arthur McElhose family.

Come to the Jitney supper at the Methodist church, Thursday, May 18, at 6 o'clock. Attractive menu. Cafeteria style.

Mr. J. F. Manz recently returned after a business trip to Nashville.

The Lutheran Laymen's League will have their Ladies' Night dinner and program tonight at the school hall.

Miss Marie Kolle Becomes Bride of Joseph Uebersax

Miss Marie, daughter of Mr. Wm. Kolle, and Mr. Joseph Uebersax, were joined in marriage by the Rev. John T. Wagener in St. James church at 9:30 o'clock Wednesday morning, May 10, 1933. The usual solemn and impressive ceremonies were read and the solemn sacred vows taken to join these twain as one.

The attendants were Miss Alma Schaefer and Mr. Herbert Kolle. The bride was becomingly attired in a pretty gown of blue, and she carried a colonial bouquet of white sweet peas. Miss Schaefer wore a gown of silver gray and carried a colonial bouquet of pink sweet peas. The bride and her maid of honor were attractive as the blossoms they carried. Following the ceremony the bridal party went from the church to the home of the bride's sister, Mrs. Wilber Wagner on North State road, where a wedding breakfast was served to the bridal party and about 25 guests.

The bride is a well known and esteemed young woman, her family held in respect. The bridegroom is from Des Plaines where Mr. and Mrs. Joseph Uebersax will make their new home and where with their friends, we join in wishing them the best, the worthwhile things in this life.

Full Gas Tank for Ballast
A full gasoline tank will often make a noticeable difference in the riding quality of a car, particularly in a light one. The weight of the gas in the tank of the car helps in giving a better balanced weight distribution.

South Side Breezes

"Some day, O Mother, when the notable women of the earth come bringing their gifts to humanity, you shall stand with head erect, the center of that illustrious throng. All will be there, the Jane Austins, the Rosa Bonhnners, the Madame Curies, the Carrie Jacobs Bonds, and each will present her particular gift to the age in which she lived—a book, a painting, a bit of radium, a piece of music—valuable gifts, but they will all pale beside yours,—the gift of a human life.

"For of what avail are our books, our paintings, our music, if no hand turns the pages, no eye views the canvases, no voice sings the melodies.

"So remember, O Mother, if the day is long, the duties many and the burdens heavy, that the rewards are equally as great and that it is you who, regardless of the passing triumphs that others may receive are patiently day by day, molding the future of mankind."

Billy Larrabee spent the week-end with his aunt, Mrs. Wm. McKee, Sunday, Mr. and Mrs. Larrabee had Sunday dinner with them.

Mr. and Mrs. Gus Schaefer attended a party Sunday, at the Heuer home on Rand road.

Mrs. M. H. Lawbaugh has returned to her home in Manning, Iowa, after visiting her son, Ray Lawbaugh and family.

Mr. and Mrs. Joseph Wisersky and children were guests of friends at Downers Grove, Sunday.

Mrs. R. Brockmeyer, who has been with her daughter, Mrs. McKaig for several weeks, has regained her health and returned to her home in Chicago.

POSTPONED SCOUT RALLY TOMORROW

Added Attractions Pro-
cured; Public Invited
Day at Lions Park

Faced with the necessity of changing the Scout rally program to an aquatic meet or postponing it for a week, the latter course was decided upon and unless the weather man continues his daily deluges, thereby keeping Lions Park, the site for this big annual event, more or less under water, the program will take place this Saturday in substantially the same form that was planned for last week.

The only exceptions are two added attractions procured for the evening. The first of these is a radio star, Sam Guariniello, better known as "Sam, the Baby Ruth Candy Accordion Man." Sam will be on the campfire program which starts at 8 p. m., and will give a program similar to those that have made him the popular radio star that he is.

The other big added feature will be a concert to be played by St. Mary's Training School Band. This will be just prior to the campfire program starting at 7 p. m.

The rest of the days' program will be the same as outlined for last week, starting at 9 a. m. with kite-flying and model airplane events. At noon will be competition on fire building and cooking. At 2:30 scoutcraft contests will be held. These will occupy the center of attraction for most of the afternoon and will lead up to the retreat ceremony at 6 o'clock. At this time the entire group of scouts and leaders will parade in review and present their troop colors to receive streamers given to the winners of events. The band concert and the campfire program will complete activities of the day.

One of the "high spots" of the campfire program will be the troop song contest in which each troop will sing a song, original or otherwise, and will be judged in an effort to select the best. Other attractive features are the Indian firelighting ceremony and tenderfoot investiture, musical numbers by the string band of Troop 6 of Des Plaines, presentation of the attendance banners, and brief talks by council officials.

Although the rally will officially close with the campfire ceremony, many troops will stay over night. There is no charge of any kind in connection with the participation in the rally or for the guests. Everyone is invited to come and remain as long as he can. Guest tickets are in the hands of all scouts and leaders, and each troop is striving to get the most visitors to its credit and win the Guest Attendance banner. This is the third annual event of this kind in the Northwest Suburban Area.

Country Club Scene Of O. E. S. Dance Saturday Night

The Arlington Heights Chapter of the Eastern Star is holding a dance at the Northwest Hills Country Club this next Saturday. This affair is an annual event, and has in previous years been very popular with the local people. The arrangements which have been made by the committee for this year's event give promise of a most enjoyable evening for those who attend.

The chapter at Arlington Heights includes a group of about twelve ladies from Mt. Prospect, and they have been working actively with the affairs of the O. E. S.

Surprise Wedding Climax to Sunday Evening Service

A look of astonishment on the faces of the people of last Sunday evening's congregation at the First Presbyterian church in Arlington Heights evidenced the complete surprise of all but the pastor and immediate relatives of Miss Gertrude Lorenzen, as the surprised organist, Mr. S. E. Elfeld, instead of having to play for the last hymn, was handed the music to "O Promise Me," by Reginald De Koven, and proceeded to play the opening strains.

Miss Lorenzen, who is now Mrs. Marshall Hakes, is teacher of the Sunday school class that had charge of the service that evening, and it was nothing unusual that she arrived a little early to see that everything was in order. The church auditorium was specially decorated as for the morning service, which was in honor of those who had joined the church during the pastorate of the Rev. H. A. Kossack.

But when the organ began "O Promise Me," and the song was being sung by Mr. Charles W. Hanson of Chicago, friend of the couple, and who had sung at the service just previous, the congregation decided that somebody was going to be married; and it was none other than the well loved teacher and choir singer, Miss Lorenzen, who, with the groom, marched to the front.

Attending them as maid of honor was Miss Elizabeth Reynolds, missionary from Persia, and a daughter of a former pastor of the church; and as best man, Mr. Harold Hakes, brother of the groom. The Rev. H. A. Kossack performed the ceremony.

Four generations of the family were present, whose history goes back through the Revolution to the Brewster home at Plymouth colony, and whose immediate living members have been so active in the local church. These included Mrs. Helen McNab, grandmother of the bride; the next generation, Mr. and Mrs. Charles E. A. Lorenzen, parents of the bride; the third generation including the sister of the bride, Mrs. George M. Kost; and her husband, and fourth generation, Merlin Dale Kost.

Out of town guests, relatives and friends of the bride and groom included Mr. and Mrs. Richard Lorenzen and daughter, Dorothy, Mr. Hakes' mother, Mrs. Alice Hakes; his brothers and their wives; Mr. and Mrs. Harold Hakes, Mr. and Mrs. Russell Hakes, Mr. Frank Hakes; his sister and her husband, Mr. and Mrs. F. Spencer Tate; Mr. and Mrs. Harry Blaisdell, Miss Stolze, J. V. Schrammer, Miss O'Connell, A. S. Perkins, Miss Gertrude Lakoff, Miss Betty Pfeiffer, Mr. Raddatz, Mr. Earl Sheuer, Mr. and Mrs. Charles W. Hanson, all from Chicago. The guests also included Mrs. Kent from Park Ridge and from Barrington the Misses Alma and Edith Riecke and Mr. John Helwig.

The couple, after a few days away, will make their home at their grandmother's, Mrs. McNab's residence at Euclid and Dunton avenues in Arlington Heights. Mr. Hakes is employed by the Chicago & North Western railway at the Ravenswood office. These young people have the very cordial best wishes of their many friends, who certainly had a surprise put over on them, and are glad they are to remain in Arlington Heights.

Safety in Education

There is an inscription over the door of one of our western libraries to this effect: "In the education of the people lies the safety of the republic." If we accept democracy as the ideal in government, we must do much toward the education of the people who compose that democracy.—Ibid.

SPRING CAR CARE AIMS FOR SAFETY AND EFFICIENCY

This year Spring car care has two important aspects—the usual steps for increased efficiency, and elimination of the increased numbers that caused an increased number of accidents last year, according to Mr. Gaare, Firestone dealer. He gives here suggestions from his experience with thousands of motorists. He takes up the matter of safe tires first, advising that tire prices are bound to go up and now is the time to save money.

"It will come as news to many motorists that an old or worn tire is less safe now than at the height of winter; from now on tires will run hotter, and heat is their greatest enemy," he said. "Blowouts will be more common."

The axiom that any car is only as safe as its tires is one that motorists should keep in mind, Mr. Gaare asserts. Unlike brakes and headlights, there are no legal specifications as to what is a safe tire. There is, however, a common-sense definition—a tire with the non-skid tread worn off or a tire worn down to the fabric is unsafe.

"Such tires should be replaced for safety of yourself and other motorists if for no other reason," he said. "But actually it will cost you less money to replace worn tires than wait until they are punctured or go flat. The last 1,000 miles in the average tire is worth only 30 cents, based on today's prices and mileage. New Firestone tires have extra values at no extra cost, and they will improve the appearance and handling of your car, give added safety, and cost you less in the long run."

"The brake lining on thousands of cars is now worn to a shoe-like thinness. It is past the normal expectancy. The brake drums are being damaged. It will amaze you to find how much safer your car feels with new lining, such as that recently announced by Firestone—that is impervious to moisture, is a new revelation in 'soft pedal' control, and sets new standards of long wear."

"The battery has been under a strain in cold weather, and by spring is probably in a weaker condition. Its charging rate should be checked and the generator adjusted for summer driving. At the Firestone Battery Factories—which are considered the most efficient in the world—observation of batteries in test cars prove that battery testing extends the life and service of the batteries."

"The worn windshield wiper should be replaced. Lights should be inspected. Radiator hose and fan belt should be inspected and the radiator flushed and foreign matter removed with a dependable compound such as Firestone Radiator Cleaner."

"If your spark plugs are worn—thus wasting a gallon of gas in every ten—it will pay you to give them attention. In replacing plugs that have gone 10,000 miles, and putting in new Firestone Spark Plugs, you will see a vast improvement in performance of your car."

Some Tree

The Governor Stoneman tree, a sequoia in California, is estimated to contain enough lumber to build 20 five-room bungalows.

PLAN TO AID RECOVERY

Large Manufacturer Con- ceives plan to help Farm- ers & Factory Workers

A plan, designed to assist in the economic recovery of the nation, was launched on May 1st by the Allis-Chalmers Manufacturing Co. of Milwaukee, manufacturers of an extensive line of power farm equipment, including tractors of all types and sizes, threshers, combine harvesters, clover hullers, plows and other farm implements.

The motivating thought back of the plan is a desire to hasten the effects of national measures which have been put into operation by President Roosevelt, and which business leaders believe have already stemmed the tide of depression. "If everybody—buyers and sellers alike—stand by and wait for something to happen," said W. A. Roberts, general sales manager for the Tractor Division of the company, "nothing will happen. But if everybody jumps in and starts the ball rolling, it won't be long before the long hoped-for improvement will be a fact."

The Allis-Chalmers plan is a simple one—a regular old-fashioned department store sale, with plenty of good merchandise on sale at slashed prices, to start people buying. The time for such a sale is ideal. Farm prices are already moving steadily upward, and in time farm machinery prices are bound to follow. But in spite of this, Allis-Chalmers is giving farmers one last chance to get in under the wire, and buy the equipment they so badly need at prices that will never be possible again.

"If farmers take advantage of this nation-wide sale, through their local Allis-Chalmers dealers, like we think they are going to, then it won't be long before our factories will again be busy with thousands of men back to work."

Local people who are interested in knowing more of the details of this plan can have their curiosity satisfied by calling on F. J. Bradley & Son, South State Road, Arlington Heights, local Allis-Chalmers dealers.

Light Traffic Results in Few Arrests by Local Police

Traffic has been light on the Northwest Highway and Elmhurst road, so far this spring, probably because of the recent cool weather. The number of cars registered has decreased also to an extent that shows up on the volume of traffic. Due to the lightness of traffic there has been little trouble with motorists going thru from the violation of traffic laws such as the passing of lights and speeding. The number of motorists stopped for violations ordinarily amounted to seven or eight each week. During the past week there were only five brought before Police Magistrate Tatge for violations.

Mr. and Mrs. G. R. Wolf were visitors at Sportsman Park on Saturday.

Miss Myrtle Frey attended a party at the home of Miss Bertha Eschen of Chicago on Thursday evening after which she spent the night with Mrs. F. Roos of Rogers Park.

Among the Mount Prospect folks noticed at the card party given by the Arlington Heights V. F. W. Auxiliary on Wednesday were Mrs. L. Barcroft, Mrs. P. Holste, Mrs. Gromoll, Miss Gromoll, Mrs. C. Busse, Mrs. E. Pingel, Mrs. D. Ben-
dic, Mrs. C. Pankonin, Mrs. P. H. Frey, Mrs. E. M. Luckner, Miss Alice Mueller, and Miss Myrtle Frey.

Several couples attended a dance given by the Ravenswood Post of the American Legion on Saturday evening.

Mr. and Mrs. C. Pankonin visited Des Plaines O. E. S. chapter on Monday evening.

Mr. Charles Edwards and three sons are staying at the Scharring-hausen home during Helen's illness.

Mr. and Mrs. Charles Pankonin attended the Palatine O. E. S. dance on Saturday evening.

Philip Baldwin is confined to his home with scarlet fever. Here's hoping he will not be sick very long.

Mr. and Mrs. J. Bernhard had guests from Chicago on Sunday evening.

Mr. and Mrs. Harry Frey and daughter, Phyllis, spent Sunday at the P. H. Frey home.

Mr. and Mrs. C. Hansen entertained relatives from Michigan over the week-end.

Don't forget the Eastern Star dance at the Northwest Hills Country club, Saturday, May 13. Admission 40c each.

Miss Alice Mueller was a visitor at the home of Mr. and Mrs. Hohman of Chicago on Monday.

Mrs. R. Zahn of Hi Lusi avenue, entertained a few of her neighbors and friends on Wednesday.

P. H. Frey, and Robert Luckner attended the minstrel show given by the Masonic Lodge of Arlington Heights on Thursday evening.

Mr. and Mrs. J. Bernhard and Mr. and Mrs. E. M. Luckner attended the Young Married People's club of Irving Park on Thursday evening.

We will be looking for you at the Arlington Heights Eastern Star dance to be held at the Northwest Hills Country club on Saturday, May 13.

Mr. and Mrs. E. G. Seward of Chicago have moved to Mt. Prospect to spend the summer with their daughter, Mrs. E. H. Cleven.

Mr. and Mrs. Wm. Mulso had as visitors last Sunday, Mrs. Mulso's father, Mr. Niebuhr, and her sister, Mrs. George Walsh and family. All of the visitors are from Chicago.

Mr. Niebuhr, who has spent some time in Mt. Prospect, living with his daughter, is approaching his 84th birthday.

The Baldwin family are the latest on the scarlet fever list. Doctor Koester is the attending physician.

Mrs. Emma Holste, president of the V. F. W. Auxiliary, accompanied by several V. F. W. Auxiliary members attended the card party at Arlington Heights last Wednesday evening, given by V. F. W. Auxiliary 981. Miss Myrtle Frey was the proud winner of the beautiful quilt raffled at the party.

Mr. Arthur Fleesch is a patient at a Chicago hospital.

Mr. A. Jahne has been on the sick list for some time.

Don't forget mother, Sunday, May 14.

Mrs. Ray Lesch entertained friends at her home last Friday.

Joyce Wallentin was the lucky winner in the health elimination contest held at Barrington last Saturday. Arthur Fleesch, Jr., was the runner-up of the boys, his opponent getting the decision after a fifteen minute debate of whether or not the pimple on Arthur's eye could possibly develop into a sty.

According to results, Mt. Prospect is a healthy place in which to live. Arthur's average, minus sty, was 99.5. This opponent 98.6. Moral: Leave sty at

home when attending health con-

test. It has been said that the rain has done so much damage that the farmers are rowing boats in their fields instead of planting crops.

The friends of Robert Senne, who received a crushed ankle in an automobile accident, wish him a fast recovery.

Mr. and Mrs. Otto Runge of Foundry Road, are the proud parents of a baby daughter, born on Friday, April 28.

The Brandon family have moved from 508 S. Elmhurst avenue to the Sporleder home on North Wilke street.

We are sorry to lose as neighbors, Mr. and Mrs. Herbert Lesch, they have moved to a home on Dunton street in Arlington Heights.

Friends and relatives of Little Miss Harriet Junke helped celebrate her sixth birthday, Sunday.

Mr. and Mrs. Gilbert Landmeier and daughters of Higgins road, were guests of their brother, Mr. and Mrs. Amos Landmeier, Sunday.

The Weber and Lamberg families of Glen View, called on Mr. and Mrs. R. F. Huecker, Sunday evening.

We are sorry to say that we have another case of scarlet fever in town; it is Philip Baldwin of Wa Pella avenue.

The Mount Prospect V. F. W. Post, No. 1337, will give a dance Saturday, May 20, at Stade's barn, Central and Wilke roads. Music will be furnished by Matt Hickey's Corn Huskers.

Mrs. L. Barcroft, Miss Alice Mueller, Mrs. E. Pingel and Mrs. E. M. Luckner attended the American Legion card party at Palatine on Wednesday.

Palatine, 15.
Barrington, 12.
Arlington scored 60 points to top the intersection track and field meet over six others, held at Palatine last Saturday. Ranked as only a possible threat to Crystal Lake, Arlington showed unexpected all-round strength to outscore them. Crystal Lake totaled 49½ points; Woodstock, 31½; Bensenville, 19½; Harvard, 17; Palatine 12, and Barrington 5½.

Arlington's entry consisted of nineteen boys. Sixteen of them collected points. It was this general scoring ability that won them the meet. Crystal Lake won only one first, the high jump, but was also scoring heavily in other events to pull up second. Led by Knell, one of the best all round field event performers in these parts, Woodstock pulled up into second place.

Bensenville won first in the quarter and the mile. Palatine's Hahnfeldt, Hahnfeldt, and Hinrichs trio showed real strength and should go great guns in the conference meet.

Arlington's great little group of sprinters won both relays. Capturing these two events were the high lights of the Cardinal's performance.

Arlington Defeats Barrington 13 to 2

Tuesday afternoon of this week, Arlington's baseball team outmanned Barrington's to win a 13-2 decision over their old rivals from the west. Unable to find a time to which the game could be postponed, the teams agreed to get together—mud or no mud. A very ragged game was the result, on one of the most disagreeable days of the year.

Two base hit—Meiners.
Base on balls—On Ethers, 4; off Landwer, 4; off Gieseke, 1; off Michaels, 1.

Struck out—By Ethers, 1; by Landwer, 10; by Gieseke, 11.
Left on bases—Barrington, 3; Arlington, 6.

Wild pitches—Landwer, 2.
Passed balls—Grom, 2; Workman, 2.

Hit by Pitcher—Meiners by Michaels.

Umpires—R. Hayes and E. Wahl.

Great Comic Cast in Al Jolson's Picture

Al Jolson in
"Hallelujah, I'm a Bum"

In "Hallelujah, I'm a Bum," his United Artists picture which comes to the Des Plaines theatre on Sunday for three days, Al Jolson corralled a cast of Hollywood comedians the like of which has never before been seen in one film production unit.

The story of "Hallelujah, I'm a Bum," written especially for Jolson by Ben Hecht, lends itself admirably to comedy, but it is the pathetic and poignant sort rather than slapstick. It is also the sort which had to be handled properly in order to get over.

DEFEAT LIBERTYVILLE

Last Thursday afternoon Arlington's Frosh-Soph track squad defeated Libertyville's Frosh-Sophs by a score of 78-35.

"King Kong" Aims at Peak Thrills Human Minds Has Conceived

With a sensational admixture of the prehistoric and the modern in a story of fantastic imagination, RKO-Radio makes a bid for an all-time record with its spectacular production, "King Kong," featuring Fay Wray, Robert Armstrong and Bruce Cabot, and in the name role a great animated 50-foot ape, built to a proportion comparable with monsters of the Jurassic and Cretaceous Periods.

As a production, "King Kong" was two and a half years in the making. Early in 1929 the first research inquiry was sent to leading paleontologists throughout the world. The studio had a vital interest in the appearance and habits of such primitive monsters as the pterodactyl, the brontosaurus, the tyrannosaurus and the dinosaur.

"King Kong" was born some seven million years or more ago, on Skull Island, located somewhere off the Malay Peninsula. His amazing career was climaxed melodramatically by a plunge from the highest skyscraper in New York.

Don Quixote tilted at windmills for a gallantly lost cause and in "King Kong" a skyscraper giant—a prehistoric ape of tremendous size—tilts at a squadron of bombing airplanes from a precarious perch atop a thousand foot New York building—and loses! He could not rule mechanistic civilization as he had ruled his island jungle!

The magnitude of their year's task at the camera is clearly seen in the results. One scene shows a battle between the mammoth ape and a tyrannosaurus, largest of prehistoric reptiles.

Still another is a desperate running fight between this giant ape, "King Kong," and scores of men while a white girl is held tightly clutched in the beast's paw.

The most spectacular scene of all concludes the picture, "King Kong," seeking to escape the torments of man, climbs the tallest structure in New York, and there, with the girl at his feet, wages a losing battle against a squadron of army pursuit and bombing planes.

It is said that the prodigious phantasy "King Kong" makes insignificant any film heretofore produced. The pictures comes next Sunday to the Rialto Theatre, Elgin.

ELK GROVE SCHOOL, DIST. 59

We will not have our graduation exercises at our school this spring. All graduates of Elk Grove township will go to Arlington Heights High School May 31, 8 p. m. All parents, relatives and friends of graduates will be admitted. If graduates do not attend these exercises, they will not receive diplomas.

Raymond and Emma entered the health poster contest at Barrington last Saturday. Raymond had 98.5 and Emma 93.3.

Our baseball games have been postponed on account of rain.

Harold Schoe received a \$16.00 basketball for winning a contest over station WIBO several weeks ago.

Many Plan to Attend Impressive Dedication, Barrington Center Soon

The 93 year old Methodist church built at the four corner cross roads a few miles south from Barrington, then known as Miller's Grove but now known as Barrington Center, will be the scene of an impressive dedication service on Memorial Day this year, when the Barrington Post of the American Legion unveils a tablet being erected by the post to commemorate the historic value of that church which was used as a recruiting station for the Union soldiers during the Civil War.

This bronze tablet, two feet by three feet in size, will be placed on a six and one-fourth ton boulder which has been moved from a Barrington back yard. Ninety-one names of Veterans who enlisted at this church over seventy-two years ago are being inscribed on this tablet, two of whom are still living, Frank B. Perkins who now resides in Elgin, and Charles F. Helm, who still lives in Barrington. Both veterans are to be honor guests at the dedication services.

The dedication and unveiling will take place at 2:30 p. m. Daylight Saving time, Memorial Day, May 30, and will be conducted with the assistance of Hon. Judge Chas. S. Cutting, the Barrington Chapter of the Woman's Relief Corps, the Barrington American Legion Auxiliary Unit and the Barrington American Legion Post and Drum and Bugle Corps. Word has been received from a great many descendants of the veterans that they will attend the dedication. Some of these descendants must travel hundreds of miles for the purpose.

Conferences

On Thursday afternoon of next week the annual Northwest Conference Track and Field meet will be held. Once again the meet will be run off at Palatine. Palatine is centrally located and has the best layout in the conference for a track meet. Since this meet is the one that all the track boys in the N. W. conference eye from the beginning of their training season, no doubt some interesting skirmishes will result.

The meet will start shortly after noon with all preliminaries, and the finals will begin at 3 o'clock. From all appearances Libertyville will again cop the first place prize with Arlington running them a fairly close second. Bensenville will probably stop at third, Palatine fourth, and Barrington fifth. This is just pre-meet dope and possibly may be upset, although it is highly unlikely that there will be any change from this order of finish.

Libertyville has, in Willard, one of the best milers in this end of the state. Zahule has been a faithful understudy. Converse dominates the longer sprints and will probably better his performances of last year.

Bensenville has their trio of field stars, while Koske, Schmidt and Guthrie will bring plenty of points to Bensenville. Against these Arlington will throw her stars, Koelling, the Szasz brothers and Rohling.

All in all an interesting meet should result. Palatine in the past has proven an able host. All the schools are looking forward to another enjoyable session there.

The Great Jasper at the Catlow Wed. & Thurs.

"Me, now, I like a little life and fun and high spirits," says "The Great Jasper" in the picture of that title which comes to the Catlow theater next week Wednesday and Thursday nights. And Richard Dix, in the title role, shows that it took a heap o' lovin' to put a little fun in Jasper's life!

For Jasper worked at love—and loved his work. He made a success of every love affair, but failed at marriage. He went through a life of loving with one wish—to make his wife happy. Did he ever understand that the wife of a free-lance lover can never be happy?

"The Great Jasper" is an adaptation of the popular novel by Fulton Ousler. Wera Engels, beautiful German film actress makes her first appearance in an American-made picture, sharing featured honors with Edna May Oliver.

Circle to Meet May 17; Mrs. Ridings To Be Hostess

The Woman's circle met last Wednesday evening in the home of Mrs. Judson F. Lee. The new president, Mrs. L. G. Johnson, announced her appointments for the various committees. Following this, a program of entertainment was given.

The next meeting of the Circle will be on Wednesday, May 17, at the home of Mrs. F. D. Ridings, 306 Wa. Pele. The assisting hostess will be Mrs. H. O'Day.

Mt. Prospect A. C. to Open Season Next Sunday

The Mt. Prospect A. C. will open the baseball season playing at home against the strong Deerfield nine. There are quite a few changes in the team from the one that finished last year's schedule, as there will be no less than five new faces in the starting line-up. The team has secured the best players possible and Mt. Prospect should again be represented by a powerful team. The boys are confident that they will open the new season with a victory.

Get behind the team from the start and give them your support. Let's start the season with a big crowd. The game will start at 3 p. m.

Girl Scout News, Troop 1

The next meeting of Troop One will be held at the home of Miss Gloria Sandberg. All of the girls are expected to know the Morse Code, so that they will be able to proceed with the practice of signaling.

The girls are practicing very hard for the "Mother's Day" program at the Community church, in which they are taking part.

Scribe: Lois Baskin.

Ladies Auxiliary, Prospect Post No. 1337, Veterans of Foreign Wars

The Ladies' Auxiliary to Prospect Post No. 1337, Veterans of Foreign Wars, will hold their next meeting at the home of Mrs. Otto Busse on Monday, May 22. Please note the change in date. Reservations will be made for those without cars.

Mrs. Otto Busse was appointed Buddy Poppy chairman.

A generous donation toward the Mother's Day treat has been sent to the state department for Sunday, May 14. This is also Hospital Day and all that can should visit. You can bring much cheer to the unfortunate if you will contribute a few hours of your time to them for that day. Make up a party for Sunday.

Mascoutin Camp Fire Girls By Ruth Duwe

We met at the Community hall only to hear that we were again requested to go to the public school basement. While waiting for the final request we were permitted to remain in our hall. After giving three cheers we started to plan our Mother and Daughter event, which is to go over big.

Three committees were appointed. All but three of the members that were present were in one of these committees. The chairman of each committee called a meeting some time during the course of the week. Each committee is to bring reports at the meeting next Thursday in which we will continue our planning. This Mother and Daughter event will probably be Thursday, May 18.

During the course of the meeting, Mrs. Lee, in behalf of the Woman's club brought us good news. The news was that some time near the end of June the Woman's club would provide transportation for our Camp Fire Girls to go to the World's Fair. Everyone thanked Mrs. Lee and the meeting was resumed.

If April showers bring May flowers, then May showers bring flooded lots, basements and roads. It may be of interest to folks who occasionally travel down Elmhurst road, that the water has gone over the road and is over a foot deep at the place known as the "Black Sea."

Public School News

We are sorry to say that our regular reporter, Miss Lois Baldwin, is unable to attend school for another week.

Miss Joyce Wallentin won first place in the Division Health contest held at Barrington last Saturday, May 13. Joyce will go to the office of Mr. Aken, county superintendent, for the county contest.

Our last Achievement club meeting was held last Friday. The meeting was called to order by Merle Hamm, the president; there was neither old nor new business. Juanita Davis and Bernice Benic played a guitar duet. A piano duet, played by Lois Baldwin and Winnifred Schumaker, was thoroughly enjoyed.

The seventh grade "Book Club" held their weekly meeting on Monday. Book reports were given by Evelyn Nolte, Lawrence Hauptly, Dorothy Buck, and Bradley Jones.

PALATINE H. S. BOYS RECEIVE HONOR LETTERS

Evans, Northwestern Grid Star, Speaks at Annual Banquet

Fifty athletic letters for football and basketball, including managers, the mascot and the cheerleader, were awarded at the annual athletic banquet of the Palatine high school held last Friday evening at the Methodist church.

Following a delicious dinner served by members of the ladies' aid, a fine program of athletic talks and readings was presented. Mr. Evans, guard on the Big Ten championship Northwestern grid team of 1931, was one of the principal speakers of the evening. Mr. Evans told of his own experiences as a player and of the benefits to be derived from active participation in sports. He pictured the ups and downs, the thrills and sorrows and the defeats and victories he had experienced and their impression upon him. Certainly everyone gained a greater realization of the many obstacles to be surmounted and the fine degree of training and head work necessary to become a star on one of the big teams of the country.

Two ladies from the speech department of Northwestern University, Miss Kinsley and Miss Busse, gave some very clever and entertaining readings to add variety to the program.

Stuart Paddock, Jr., as toastmaster introduced the local speakers. Martin Philbin represented the football team and in his well delivered talk paid special tribute to the ability and work of Coach Megel. Francis Reuse reviewed the basketball season and spoke of next year's prospects. Alfred Regenberg told a number of humorous stories and Mr. Skibbe, president of the Board of Education, talked on athletics from the standpoint of the community.

Coach Megel concluded the program with a talk on the work of the year in football and basketball and then awarded letters. Mr. Megel explained just what the athletic letters stood for and mentioned incidents which took place this past year in games to illustrate some of the qualities that athletics develop in the individual. The large number of parents and sports fans of the community who attended the banquet received a good idea of Megel's athletic program and the methods he is employing to carry it out. Megel has won a lot of well deserved praise for the work of his department this past year and the future of athletics in Palatine under his direction is indeed a rosy one.

One of the many awards of the evening was the presentation of certificates of membership in the National Athletic Scholarship Society. Palatine just recently gained membership in this organization. All boys winning a major letter and having scholarship averages above the school average for three consecutive semesters are eligible. Membership was awarded to Alfred Regenberg, Stuart Paddock, Edward Hahnfeldt, Raymond Hinrichs, Art Haldeman, Owen Stokes, Leighton Mangels, Harold Bergman and Francis Reuse. Alfred and Stuart ranked highest in scholarship for this group.

Another award was the Motor League trophy to the winner of the intra-mural league. The Chevrolet team received the trophy. Harold Stuit was captain of the team with Mangels, Schwartz, Engkeling, Kraft, Wierdt and Hinrichs as players. Raymond Hinrichs was the team coach.

Kathryn Smith received a cheerleader's letter while Junior Ketterman was awarded a mascot letter for his work in basketball. John DePue, Gilbert Tarnow and Owen Stokes won letters as managers. There are no awards more deserved than those to the team managers.

Following the award of first and second team letters in basketball and football, Mr. Butler gave a short talk with special tribute to the senior members of the athletic squads.

The letter winners are listed as follows:

Football
Heavyweights—Bergman, H., Haldeman, A., Kuhlman, R., Langhorst, R., Taylor, Thompson, Smith, DePue, Krambler, Hahnfeldt, L., Hinrichs, Philbin, Tudyman, Reuse.
Lights—Regenberg, Schwartz, Bergman, Helms, Mangels, Kruse, Drewes, Taylor, Whittenberg, Plate, Gaare, Nelson, Schmidt.

Basketball
Heavyweights—Beusching, Haldeman, Kuhlman, Paddock, Stokes, Beckman, Blankenship, Krambler, Hinrichs, Reuse, Hahnfeldt, E. Lights—Hahnfeldt, L., Frohne, Mangels, Kruse, Helms, Whittenberg, Stuit.
Managers—Depue, Stokes, Tarnow.

Cheer Leader—K. Smith.
Mascot—Ketterman.

The Ladies' Aid Society of the Palatine Methodist church will meet in the church parlors Wednesday, May 17, at 2:30 p. m. Mrs. Pahlman will be hostess assisted by her committee.

Cocking Feet on a Chair
Nothing soothes the mind like elevating the feet. This action reduces the rush of blood to the head, takes the pull off the larger muscles of the legs, quite the largest in the entire body; causes a comfortable pressure on the splanchnic pool of the abdomen, and in various other ways contributes to the well-being of the physical man.

G. C. Butler Ends Long Service In Palatine Schools

Supt. G. C. Butler of the Palatine Township high school whose connection with the local Palatine schools will terminate with the present school year, will close thirteen years of efficient and outstanding services to the schools and the children of Palatine.

Brought to Palatine thirteen years ago, after several years of short terms in the principalship of the Palatine schools, Mr. Butler started an upbuilding of the educational standards of the schools which have borne marked results. Selected from a field of over sixty applicants at that time, Mr. Butler was finally retained because of the outstanding work which he had accomplished at schools where he had served for long terms and because of the high recommendation given him by leading educators who were qualified to judge the requirements of a school superintendent.

At the time of his coming to Palatine, Mr. Butler had supervision over both the grades and the high schools. When the new high school was built his entire time was taken up with high school work. The Palatine township high school was at the time of Mr. Butler's coming to Palatine accredited to the University of Illinois for only one year on trial. Before Mr. Butler had been in charge of the local high school two years the Palatine township high school was fully accredited to the state university for a three year period and has since that time been a fully accredited school. The state university has now reduced to two years the accrediting of high schools and Palatine has always maintained a full credit.

During Mr. Butler's long term of service to the Palatine township high school the graduating classes have grown from a very few pupils until the present time when an entire stage full of graduates receives diplomas yearly.

A great many of the graduates have gone on to higher halls of learning and these graduates have acquitted themselves with credit to themselves, their school and their instructors, and the Palatine high school and Mr. Butler have very frequently been complimented on the scholastic standing of the graduates which came from the Palatine high school.

Keen observers say that Mr. Butler had a wonderful faculty for employing teachers who would work together and fit into an organization and during his long term, "teamwork" has been one of the features of the work at the high school.

Known as an efficient organizer and school administrator before he came to Palatine, Mr. Butler, during his stay here, has added thirteen more years to a great record as an efficient school man.

The Enterprise does not know what Mr. Butler's plans are for the future, but we do know that we express the appreciation and the thanks of a host of friends and well wishers when we extend to him their sincere best wishes for the future and their thanks for what he has done for the youth, the schools and the community of Palatine.

New Palatine Residents Purchase Own Home

Mr. and Mrs. Lawrence H. Koch have purchased the new house built on East Colfax street two years ago, and are now residents of Palatine. Mr. Koch is an electrical engineer while Mrs. Koch is secretary to Earl Smith, president of the Illinois Agricultural Association. It was O. G. Barrett, farm adviser of Cook county, who informed this paper of the connection Mrs. Koch has with agriculture. "She was born on a farm in Sycamore," said Mr. Barrett, "and is right in the midst of farm activities, serving in a confidential manner Mr. Smith who is one of the farm leaders of Illinois." Our former adviser is always ready to tell of the advancement of agriculture and is just tickled pink as he says, to have Mr. and Mrs. Koch select his neighborhood as their home and in behalf of Palatine, the Enterprise states that our people are also "tickled pink" to have Mr. and Mrs. Koch choose this town for their home from among all the other Chicago suburbs.

Just 46 Pounds Of Fat Gone
Feels 20 Years Younger

"I surely can recommend Kruschen Salts. I reduced from 156 to 110 lbs., my natural weight and I feel 20 years younger. 'A pinch a day keeps the fat away.' Mrs. Vale, Walter, Seattle, Washington (Dec. 30, 1932).
Once a day take Kruschen Salts—one half teaspoonful in a glass of hot water first thing every morning. Besides losing ugly fat SAFELY you'll gain in health and physical attractiveness—constipation, gas and acidity will cease to bother—you'll feel younger—more active—full of ambition—clear skin—sparkling eyes.

A jar that lasts 4 weeks cost but a trifle at Wendt's Drug Store or any drugstore in the world—but demand and get Kruschen and if one bottle doesn't joyfully satisfy you—money back.

PALATINE

The lecture on the proper care of the lawns and gardens by Mr. Fox, representing Vigoro, under the auspices of the Palatine Garden club at the Community hall of the high school, Tuesday evening, was well attended and all felt it was very instructive. Mr. Fox came thru the courtesy of W. R. Comforth Sons. Two Boy Scouts, David Beard and Elvis Foster assisted. Mr. W. C. Deering went to New York on a business trip Wednesday.

Mr. Gus Arps spent a few days with his daughter, Mrs. Alma Olson in Chicago.

Mr. and Mrs. William Döllinger will spend Mother's Day with Mrs. Ella Held at Lawton, Michigan.

Palatine Garden club plans for a flower show about the first of June as the flowers are so late this season.

Mr. August Rosenwinkle has been confined to his bed for a few days again.

Lorraine Leseberg is taken with chicken pox.

Mrs. R. Haemker entertained a number of relatives in honor of her birthday Wednesday evening.

Mrs. Caroline Harmening was called to Elgin by the death of a nephew, Louis Ackeman, whose funeral was held Saturday.

A number of friends had a house warming to Mr. and Mrs. Arthur Henschlage on W. Wilson street. They are now occupying the Tins house, which was vacated by the Booth family.

Mrs. G. L. Walker from the McIntosh estate was operated upon at Community hospital last Monday for acute appendicitis.

Carl Spanhake fractured his arm while cranking an auto and was treated and X-rayed at the local hospital.

Mr. and Mrs. Al Behling are both under medical treatment.

Mrs. August Schmidt is at the local hospital for treatment.

Anna May Starck celebrated her sixth birthday anniversary by inviting in a group of her playmates.

Mrs. Chas. Ahlers of Arlington Heights is a patient at Community hospital for medical treatment.

A son weighing 7½ pounds, was born April 30 to Mrs. Eleanor Graves Swinehart.

Mrs. Kluppelburg of Chicago visited at the I. Blum home Sunday.

Mr. and Mrs. Ed. Smith of Park Ridge visited at the A. G. Smith home Monday evening.

Mrs. Barbara Knigge and daughter, Mrs. Charles Chamberlain of Mundelein visited Mrs. August Schmidt Monday evening.

Mrs. Frank DeBerg, Sr., attended the funeral of a cousin from Boston, whose burial took place in Chicago Monday.

Mrs. Moulten and son returned from Ottawa first of the week where the boy has been recuperating from a severe illness.

Mr. and Mrs. Earl Blum entertained friends from Chicago and Arlington Heights, Sunday.

The Rebekah Lodge had a Mother's Day program after their regular meeting Thursday evening.

Readings were given by Mrs. Emeline Godknecht and Mrs. Florence Parkhurst. Albert Parkhurst recited. Miss Lillian Bergman sang and Miss Maizie Cropper rendered two piano solos. Lunch was served by the committee and a very pleasant evening enjoyed by all.

Have your drapes, rugs and curtains cleaned at the old reliable Illinois Cleaners and Dyers.

Mrs. August Schmidt was taken to the Community hospital Saturday, May 6, for medical care.

Mrs. Andrew Kettelsen is on a two week's vacation from her duties as night operator at the telephone office.

The Ladies' Aid of the St. Paul's church had a very successful dinner served Tuesday by the Alumnae Cook Utensil company, which brought all the foods needed to make up a tasty dinner. The ladies cleared \$15.50. The Methodist church Ladies' Aid expect to serve in the near future.

The Dramatic Club of Grade School to Present Good Play

The Dramatic club of the Palatine grade school, under the sponsorship of Miss Rose Bellon, will present "The Dear Departed" by Stanley Houghton. The play is to be given on Friday, May 12, at 11:30 a. m.

The characters of the play are as follows:

Mrs. Slater—Kathryn Drewes.
Mrs. Jordan—Irene Godknecht.
Henry Slater—Raymond Stuit.
Ben Jordan—Wallace Papajewski.
Victoria Slater—Janet Pomeroy.
Abel Merryweather—Donald Deering.

This is the second play which the club will present. The first being "Pearls" by Dan Fothergill. At which time, the characters were as follows:

Peggy Lewis—Helen Dierker.
Polly Lewis—Virginia Helgesen.
Tad Lewis—Carl Rennaek.
Mr. Brown—Elvis Foster.

CAMP OH-DA-KO-TA "OPEN HOUSE" JUNE 4

Another fine opportunity for parents, scouts and troop leaders to visit Camp Oh-Da-Ko-Ta, the summer home of Northwest Suburban Scouts, is to be offered June 4, when it will be "open house" there for all that are interested. The suggestion is made that everyone attend church and then leave immediately for the camp and spend the rest of the day there. Some camp leaders will be there along with leaders from the local council to greet visitors and show them about the campsite. On previous occasions of this kind many parents have expressed considerable surprise at the completeness of the camp's equipment and facilities. It is for the purpose of acquainting local citizens with the possibilities and values of a period or more at Camp Oh-Da-Ko-Ta that this occasion is arranged.

Camp Opens June 18
The camp will open for local boys June 18 and will operate for a period of six weeks, closing July 20. Although the camp operates under one name there are really three different camps with distinctly different programs. The base camp is the "scout camp" of the group and its program is one that follows the scout program. In the Indian Village the campers are housed in teepees and follow a program that involves the study of the American Indian. The Pioneer Stockade also has its own program of campcraft and out-of-doors activities that keep the occupants of its log lean-to busy. Scout Executive Howard A. Gately of Kenosha is the general camp director and each of the three units has its own special director that makes possible the closest type of supervision and direction for all campers.

An Appeal to The People of Palatine:

Do Palatine people want a band? The answer must be ready by next Monday evening.

At present, there is no band of any kind in the village. At the request of the Palatine Business Men's Association a committee has interested a number of the probable musicians and a meeting is to be held next Monday to make a definite decision.

A local band for Memorial Day, for weekly concerts during the summer and for the annual fall festival in the fall, is not possible unless the men who are willing to give their time at hand practices and concerts receive some financial cooperation for the employment of a leader. The amount needed is relatively small, but many \$5 and \$1 are needed.

The local musicians will meet next Monday to organize or drop their plans.

Which will it be?

If you, kind reader, are interested and willing to aid, will you call Mr. Uhrhammer on the phone No. 143-R, who is secretary of the Business Men's Association, or advising him by mail, giving the amount that you will pay into the fund.

It is unnecessary to go into the details relative to the advantages of having a band in Palatine, but it is necessary that pledges to the band be made by Monday evening if Palatine is to have such an organization this summer. Remember there will be no charge for those weekly concerts.

Palatine Grade School To Lose John A. Rolfe After 4 Years Service

Palatine grade school will lose John A. Rolfe, who has served as principal the past four years. This will be sad news to the pupils, to the Parent-Teacher association and to many of the parents who have come in contact with him. Mr. Rolfe has done a lot for the local grade school. He has been instrumental in inaugurating new methods and extra curricular activities that have made Palatine school a place of training the child in other ways than mere book learning. Parents of the children under his supervision realize more than others what he has meant to Palatine and his influence upon the lives of the youngsters. He has not alone taught them, he has played with them, on the school ground, he has always been ready to sympathize with their problems and leaves the school in an admirable condition for his successor.

Chief among the changes that Mr. Rolfe has brought into the school has been Athletics in basketball, track and baseball and the expansion of manual training and sewing departments. The annual exhibits have become a feature of the school. A school orchestra, glee club and regular sextet music course are other additions to the school that will have a lasting effect upon the pupils. There have been operettas, field trips, visits to field museum, the school boy patrol, spelling bees, and other activities that have helped to round out the school work. It is true that many of these things would not have been possible without the aid of the teachers and the interested members of the P. T. A., but it was the cooperative spirit that Mr. Rolfe has always shown and his readiness to accept suggestions that have made all these things so successful.

Palatine will be sorry to lose Mr. Rolfe, but he can have the satisfaction of knowing that his four years spent in Palatine were worthwhile years and he leaves a school system of which he can be proud and one that has often been praised by school authorities.

Palatine To Be Host to Visitors Chicago Fair

Recognizing the demand of the thousands of visitors to the Century of Progress for proper accommodations in the suburbs, the Palatine Business Men's Association proposes to compile data, register rooms, install road signs and otherwise advertise the places to be had in Palatine, upon a comprehensive scale. The association therefor asks:

1st. All householders who have available rooms, to report, preferably in writing at once to Harry Kruse, Phone 68, giving number of rooms, the sanitary accommodations, etc.

2nd. Be prepared to have your rooms inspected by a representative of the "tourist room bureau" of the Palatine Business Men's association in order that the rooms may be classified as to desirability, rates, etc.

The association offers this service to Palatine people and through the latter's cooperation many thousands of extra dollars can be received by the home owners and increased business will result to Palatine business houses. It must be done in a business-like manner with standard prices and under standard rules.

Listings should be made at once, prior to Tuesday, May 16, as every day's delay after May 27 means lost dollars and less visitors to Palatine.

Improved Cord Defeats Tire Fabric Fatigue

Improved cord for tire fabric has been one of the most important factors in increasing tire mileage, in the opinion of Elroy Winkelman, local Goodyear dealer.

"The most talked-of and widely imitated cord is the Goodyear Supertwist, a patented cord which stretches up to 61 per cent farther than ordinary cord," Mr. Winkelman declared. "This is important since it has been long realized that one of the major causes of tire failure is 'fabric fatigue' which causes breaks in the 'shoulder' or sidewall of the tire. Supertwist cord is specially constructed to withstand constant flexing by springing back to normal position after each movement of the tire carcass thereby increasing the life of the tire."

"Few motorists realize that while driving 3 miles per hour a tire flexes between 375 and 425 times per minute, or a minimum of 22,500 times per hour and at higher speeds there is even more flexing."

"Before Supertwist fabric was developed by Goodyear, flexing breaks, of fabric failure due to fatigue, were the cause of 95 per cent of all tire adjustments, but now less than two per cent of replacement adjustments are the result of such breaks."

CAMP OH-DA-KO-TA "OPEN HOUSE" JUNE 4

Another fine opportunity for parents, scouts and troop leaders to visit Camp Oh-Da-Ko-Ta, the summer home of Northwest Suburban Scouts, is to be offered June 4, when it will be "open house" there for all that are interested. The suggestion is made that everyone attend church and then leave immediately for the camp and spend the rest of the day there. Some camp leaders will be there along with leaders from the local council to greet visitors and show them about the campsite. On previous occasions of this kind many parents have expressed considerable surprise at the completeness of the camp's equipment and facilities. It is for the purpose of acquainting local citizens with the possibilities and values of a period or more at Camp Oh-Da-Ko-Ta that this occasion is arranged.

Camp Opens June 18
The camp will open for local boys June 18 and will operate for a period of six weeks, closing July 20. Although the camp operates under one name there are really three different camps with distinctly different programs. The base camp is the "scout camp" of the group and its program is one that follows the scout program. In the Indian Village the campers are housed in teepees and follow a program that involves the study of the American Indian. The Pioneer Stockade also has its own program of campcraft and out-of-doors activities that keep the occupants of its log lean-to busy. Scout Executive Howard A. Gately of Kenosha is the general camp director and each of the three units has its own special director that makes possible the closest type of supervision and direction for all campers.

Argentina's Highway Law
Argentina's national highway law is similar in many respects to the United States federal aid highway laws.
